ANTZOKIA

APIRILA / ABRIL 16

20,30 h.

A high-contrast, black and white graphic portrait of Mikel Laboa. The image is rendered in a stark, almost stencil-like style, with the subject's face and features appearing as bright white shapes against a solid black background. The portrait is positioned in the center of the poster, slightly tilted to the right. The text 'MIKEL LABOA' is overlaid on the left side of the portrait, following its curve.
